**Please remember these in your prayers....**

- **Pray for an end to the terrible conflict in the middle east!**
- Melanie Carlton's condition remains serious but she has been transferred to a rehab center and is getting daily physical therapy. She is showing some improvement, but we need to keep the prayers coming for healing, recovery, and ability to respond to commands. Also, ask for comfort and strength for Keith and all of Melanie's family and friends.
- Liz Burkepile is continuing to recover and is back home. Offer thanks for her healing, and for the successful surgery and especially for the absence of cancer cells.
- Donald Grebski's wife, Doris, remains in a memory care facility in Boise, Idaho — pray for her comfort and well-being, and that her caregivers will see to all her needs
- Cynthia Winter's brother, Larry, is recovering from a heart attack. Ask for healing!
- Continue to pray for our friend, Crystal.
- Lo's friend, Pastor David, at the Travis Heights Mission Church. He is grieving over the deaths of several members of the church.
